

## Specialty Products for Woodworking: PLANERS, SANDERS, SAWS

### ProStop II™

ProStop II is a complete Digital Stop and Fence System. It includes the fence, the stop and the ProScale digital measuring system.

ProStop II will put an end to inaccurate measurements and repeatability problems.

No other manual stop and fence system can match ProStop's  $\pm .001$  inch repeatability.

ProStop can be used with left or right infeed saws and additional digital or non-digital stops may be added to the same fence.

The 45/90 degree stop is reversible and comes with a fine adjust to dial in the exact measurement.

**ProStop II** is available in standard lengths of 4, 8, 10, and 20 feet.

### ProKit 150-10

Everything you need to add Digital Measuring capability to your **Wide Belt Sander** or **Planer**.

ProKit 150 includes a ProScale Model 150-10 to measure up to 10 inches (250mm) of opening on your planer or sander.

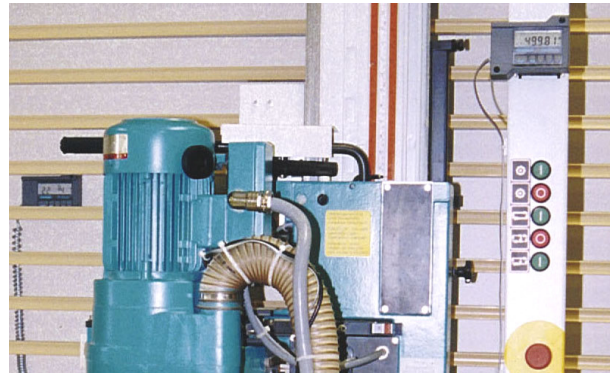

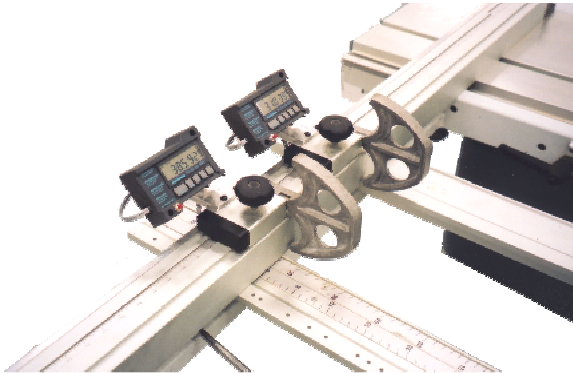

A Universal mounting kit that contains several brackets making installation a snap are also included with this package.

## ProKits™

ProKits are available for several popular sliding table saws and vertical panel saws. ProKits add digital precision and repeatability at an affordable price to existing saw fence systems.

All ProKits are pre-engineered to fit specific makes and models and come with complete easy-to-follow instructions and all the necessary hardware for easy installation.

### Product Specifications

#### ProStop II

Measuring Range:

ProStop-4: 50in. (1.2m)  
Part # 901-6104-001

ProStop-8: 94in. (2.3m)  
Part # 901-6108-001

ProStop-10: 114in. (2.9m)  
Part # 901-6110-001

ProStop-20: 234in. (5.9m)  
Part # 901-6120-001

#### ProKit 150

Measuring Range: 10 in (250mm)

#### ProKits available for:

Altendorf	Lazzari
Casedei	Paoloni
Casolin	Putsch-Meniconi
Elcon	SCM
Holz-Her	
Griggio	

Accuracy:

- ProKit 150:
- ProKit, ProStop:

± .002 in. (.05mm).

± .003in/ft; ±.010in max error.

Repeatability:

.001in (.01mm).

Power:

2AA Batteries

Warranty:

ProKit 150: 3 years; ProStop, ProKits: 2 years
